President City Municipal Council
MYSORE

To

The Secretary to Government,
Revenue Department,

Sir,

I have the honour to state that the Medical Officer, P A Sanatorium, Mysore, has written to say that two A P Sets have to be purchased - one for the Epidemic Diseases Hospital and the other for the P A Dispensary, Mysore, for immediately taking up treating cases of tuberculosis. I was intimated that one set might be purchased for the E D Hospital by Government and the Municipality should pay its 1/3 quota of maintenance charges in the usual course. As regards the P C T Dispensary, I was intimated that as the cost of European Medicines is met by the Government, the cost of A P Set has to be met by the Government, considering that no part of European medicine but the Doctor only prescribes in reply that the cost of equipment required from time to time should be met out of the Municipal funds. This is the first time of its kind in which the Municipality is required to pay for.

In view of the A P Set being considered as European medicine and equipment, the Health Committee which considered the subject in detail, have resolved that the Government may be requested in the matter.

I therefore request you kindly to sanction the purchase of an A P Set for the use of the P C T Dispensary, Mysore, at the cost of Government, viz., Rs. 500/- as intimated by the Director of Health Services.

I have the honour to be,
Sir,
Your most obedient servant,
